Ambassadors serve as a
liaison between educators and
Teachers' Teammates to ensure
that good communication is
maintained.

Highlights from Educators Survey, January 2025

"The biggest thing was building my **classroom library** and now sending books home on occasion."

"I am able to provide a lot of **supplies to students** who are not able to purchase them on their own, like notebooks, folders, etc. I have gotten some cool **incentives** for my prize bin, as well as a lot of **decor** and teacher supplies to stock my classroom."

"Students have had **access to resources** they wouldn't have without Teachers' Teammates."

"**I have not spent my own money** on pencils, markers or crayons since I joined."

"I am in a low-income district where supplies can be scarce. This organization helps **bridge that gap** in the schools."

"My students come from a high poverty area, so obtaining items they need for school is very difficult for them. Seeing them get **excited over new supplies** for them to use is a highlight of my job."

"Just having **a constant supply of writing utensils** to offer them has been an absolute life saver. **Every child is ready to work** and learn thanks to your supplies."

DONATIONS TO TEACHERS' TEAMMATES ALSO HELP OUR ENVIRONMENT BY KEEPING OTHERWISE UNWANTED ITEMS OUT OF THE WASTE STREAM.

In May, we participated in the second annual Delco Gives Day sponsored by The Foundation for Delaware County and raised **\$29,509!**

After successfully launching delivery service in 2023-2024, Teachers' Teammates continued delivering teachers' orders directly to schools in 2024-25—and will keep doing so to eliminate barriers to essential supplies for teachers and students.
